BETRAYER

Anatomie zrady

HISTORY BASED ON A TRUE ONGOING PLOT

The film is based on the extraordinary true story of one of the most scorned figures of Czech and European history, a Minister in the Protectorate government, Emanuel Moravec, and apostle of collaboration, betrayal and moral decay. The unsightly countenance of the bloated bald head with buggy eyes brings to mind a parody of a fiend taken from comics. We would expect that only a fool would fall for Nazi ideology... But when we take a closer look at Moravec's personality, we get a completely different picture: a refined, educated, rational man, who took words such as "fatherland, nation and democracy" deadly seriously.

This incident sparked the Thirty Years' War, the largest military conflict in history until the major wars of the 20th century.
