SQUAD**

MAJOR CASE SQUAD (Případy 1. oddělení)

A crime series, inspired by real cases dealt with by the murder squad of the Prague metropolitan police after the political change in 1989. For instance, this elite unit, boasting a nearly 95 % crime clear-up rate, captured a sexual aggressor, cleared up the murder of a television employee and another perpetrated by a contract killer hired by a house owner to do away with a defiant tenant ... The viewers learn how the police proceeded when hunting for the criminals, what complicated their work, and what "tricks" they needed to use in order to prove the perpetrators guilty. Real crimes, real methods, real criminal police...
