MILLS OF GOD (BOŽÍ MLÝNY)

A crime series combining tension with hyperbole and dark humour. Unlike classic detective stories, we know who the bad guy is: a rogue who escaped justice! The main character, Captain Fait, battles not only the underworld, but also widespread corruption. Pedantic Fait creates an informal group of "avengers", who help the proverbial "mills of god" to turn a little faster. This team of diverse talents and personalities plan ingenious traps and provocations, which they use to catch greedy crooks.
