SHADOWS IN THE MIST

(STÍNY V MLZE)

A twelve-part crime series introducing police detective Magda and her new partner Martin. Together they investigate criminal cases in unusual places and crime mystery is often accompanied by the drama of the investigators' personal lives. Magda has to reconcile her time-consuming and mentally demanding work as a police officer with taking care of her family and young daughter. Martin switched flats to avoid losing touch with his teenage son, who had moved to a new home with his mother, Martin's ex-wife. The initial petty rivalry between Magda and Martin slowly grows into mutual sympathy and respect. What either of them doesn't know, though, is that Magda is being stalked by Hrbek, a recently released convict who has a devious plan to take revenge on Magda for arresting him.
